“Quick access to information is a key strategy for doing good business”

B3's sustainability agenda

Commitment to a sustainable market

Challenges

Companies should:

- Disclosure material, comparable, timely information – GRI and SASB
- Have Integrated thinking – IIRC
- Inspired by ratings, global providers – MSCI and Sustainalytics
- Have an assurance for sustainability information – KPMG and PWC
- Be align with the 10 Principles of the UN Global Compact and the Sustainable Development Goals (SDGs)

Very near future

- The use of Big Data and Artificial Intelligence (BDAI) in the reports. For instance, how BDAI will reads information?
